Commissioner for Patents

Attached is an English translation of the "Kabushiki" reference entitled Total Parenteral Nutrition and Enteral Nutrition, from the Nippon Rinsho vol. 59, Suppl 5, pages 283-307. The actual document discloses a different inventor name; however the citation (title, volume number, page number, edition, etc.) is consistent with the cited rejection throughout prosecution. The Figure from which the 103 (a) rejection is based is consistent with the Figure/diagram cited through prosecution.
